Terms & Conditions of Images/Features

DEFINITIONS

"We and/or "Us" means the picture supplier named overleaf.

"You" means the person or entity named as client overleaf.

You will be deemed to have accepted these terms and conditions unless you notify us to the contrary and return all the Images/Features to us within 5 days of receipt.

No variation of these terms or conditions shall be effective unless agreed in Writing.

"Image" means any item which may be offered for the purposes of reproduction (including where appropriate a Digital Image). "Feature" (images and text) means any item which may be offered for the purposes of reproduction (including where appropriate a Digital Image)

1. Licence for Use of Images/Features

1.1 The reproduction by whatever means of the whole or any part of any Image (including, without limitation, slide projection, artist's reference, artist's illustration, layout or presentation of Images/Features) is strictly forbidden without our specific written permission. You must inform us of your proposals as to when and how an Image is intended to be used. We will then consider whether we would wish to grant a licence and, if so, on what terms.

1.2 No reproduction rights are granted by virtue of delivery of Images/Features unless expressly indicated. Your right to reproduce an Image arises only if (a) licence terms are agreed and (b) our invoice relating to the grant of such right is fully paid. Any reproduction before payment of the invoice or outside the terms of any licence constitutes an infringement of copyright and also a breach of this Agreement entitling us to rescind and claim damages. You must indemnify us in respect of any claims, damages, costs or expenses we incur arising from any reproduction of any Image supplied to you. If, within 30 days of delivery of our invoice, the client requests cancellation of their right to reproduce we may in our discretion cancel the rights of reproduction subject to the client paying a cancellation fee of 50% of the agreed reproduction fee.

1.3 You must satisfy yourself that all necessary rights, model releases or consents which may be required for reproduction are obtained and that the use of any image is not obscene, indecent, libellous or unlawful. We make no claim or warranty with regard to your use of content, names, text, people, trademarks or copyright material depicted in any Image and you will indemnify us in respect of any claims, damages, costs or expenses we incur arising from the use of any Image supplied to you.

1.4 Under this agreement You are obliged to accept not to give any Image rights, intellectual property or other intangible property, or usage right, over any art work, architectural, interior design or design works, or any kind of object contained in the Image, nor to extrapolate any part of any exterior or interior art work, architectural or interior design or design works, or any kind of object contained in the Image.

1.5 Reproduction rights (if granted), unless otherwise agreed in writing are:

1.5.1 subject to these terms and conditions and any terms and conditions set out in the delivery note and licence,

1.5.2 non-exclusive reproduction rights for single use only in the United Kingdom. A single use means a reproduction in one size for one edition of a single publication, published in one language only,

1.5.3 strictly limited to the use, period of time and territory stated in the licence,

1.5.4 personal to you and not assignable by you to any third party.

1.6 If we agree that you may license the use of any Image to any third party, you shall enter into an agreement with such third party to ensure that they are bound by licence terms restricting printing, copying, networking, multiple access or other use of the Images/Features to personal use only, forbidding the assignment, resale, rental and lending of the Image and ensuring that credit is given to us and the author.

1.7 You must credit us and the author as specified by us every time an Image is used. If you fail to credit the Image an additional 50% of the original licence fee will be payable.

1.8 Images/Features shall not be altered or manipulated, added to, or have any part deleted without our prior written consent.

1.9 You must provide us prior to publication with a list of Image usage and/or You must provide us on publication with at least one complimentary copy of any publication in which the reproduction of the Image appears.

2. Digital Use of Images/Features

2.1 You acknowledge that Images/Features are our valuable property, as are any digital Images/Features created from the Images/Features (" Digital Images/Features").

2.2 You may not create, store or transmit Digital Images/Features without our permission except so far as is incidentally and wholly necessary to the process of producing items licensed by us.

2.3 Each Digital Image created by you shall be recorded and labelled with the Image reference number used by us and our copyright credit information as an integral part of the image file, and held on an electronic database under your sole possession and control.

2.4 Unless otherwise agreed, any Digital Image you create must not be greater in size than 640x480 pixels, 72ppi. Any use of the Digital Images/Features shall be in a format designed so that it will not be possible to alter, manipulate or adapt any Digital Image in any way during the normal course of using the product.

2.5 You agree to destroy all Digital Images/Features including any pre-press or pre-production copies of the Images/Features and any copies or records of the Images/Features held on a

database within 90 days of the date of receipt of the Images/Features or completion of the maximum production run, or expiry of the licence term, whichever is later.

3. Supply Of Images/Features on transparency format (not digital files)

3.1 The Images/Features are submitted on loan at your request, on approval only. Our delivery note lists the Images/Features delivered to you, which shall be deemed to have been received complete and in good condition, unless we receive notification of any discrepancy or damage within 48 hours of receipt.

3.2 Images/Features belong to us. They are your responsibility from the time we despatch them until we receive them back. You are urged to take out insurance to cover the total value of the Images/Features delivered.

3.3 You must pay a non-refundable service fee to cover administrative costs and despatch of Images/Features on each submission and resubmission of Images/Features whether or not reproduction rights are required or granted. We will deliver Images/Features to you by the most appropriate safe method which affords proof of delivery, and may invoice you for the delivery costs.

3.4 "Return Date" is the date by which the Images/Features must be returned as specified on the delivery note or licence. If no date is specified, the Return Date shall be four weeks from the date of the delivery note.

3.5 You must pay the rental fee specified in the delivery note until we receive the Images/Features back. Payment of the rental fee does not entitle you to retain any Image after its Return Date.

3.6 You must return Images/Features to us by a safe method which affords proof of delivery. You must arrange adequate protection for Images/Features in transit. You must enclose a delivery note detailing and totalling the returned Images/Features and must send a copy of that note by separate post, fax or email.

3.7 You must immediately notify us in writing of any loss or damage. You must pay us compensation for each Image lost or damaged at the rates specified on the delivery note which are a genuine pre-estimate of the loss which we will suffer. Any Image returned without its mount or with its caption or other mount data missing or defaced, may incur a replacement charge at the rate set out in the delivery note. Payment of compensation does not entitle you to any additional rights in the material. An Image subsequently found must be returned immediately. If it is undamaged you will be credited with any compensation paid less a rental fee at the rate set out in the delivery note from the Return Date to the date the Image is returned. Such credit will never be less than 20% of any compensation paid.

3.8 A fee of £10 will apply in the event that a requested transparency image is not used.

In the event of termination, all rights granted will immediately revert to us and any further exploitation of any Image shall constitute an infringement of copyright.

4.6 Any publication right (as defined in the Copyright and Related Rights Regulations 1996) arising from your use of any Image shall vest in us and you hereby assign all such rights arising to us.

4.7 Our failure to exercise or enforce any of our rights will not be deemed to be a waiver of such rights nor bar their exercise or enforcement in future.

4.8 Should any disagreement arise between us, we shall, if we both agree, first try to settle it by a mediation procedure recommended by the BPLC.

4.9 These Terms and Conditions shall be governed by the laws of England and Wales and the parties agree to submit the jurisdiction of the English courts, such jurisdiction to be exclusive, save for infringement of copyright or non payment of our invoices where it will be non-exclusive.
